

Dear small giant friend

Thank you so much for playing my game.

I think you enjoyed it ?

You were definitely smiling a lot !

You looked really funny doing those moves
and saying those tongue twisters ,

I couldn't stop giggling. It was so much fun.

I really loved all the magic that you found .

Thank you for sending your drawings of them to me .

They are wonderful and precious !

I look forward to playing more games
with you and your friends soon .

In the meantime ,

if you ever go past one of the doorways or
a little crack into the Under-land ,

send me a little wink or a little wave ,

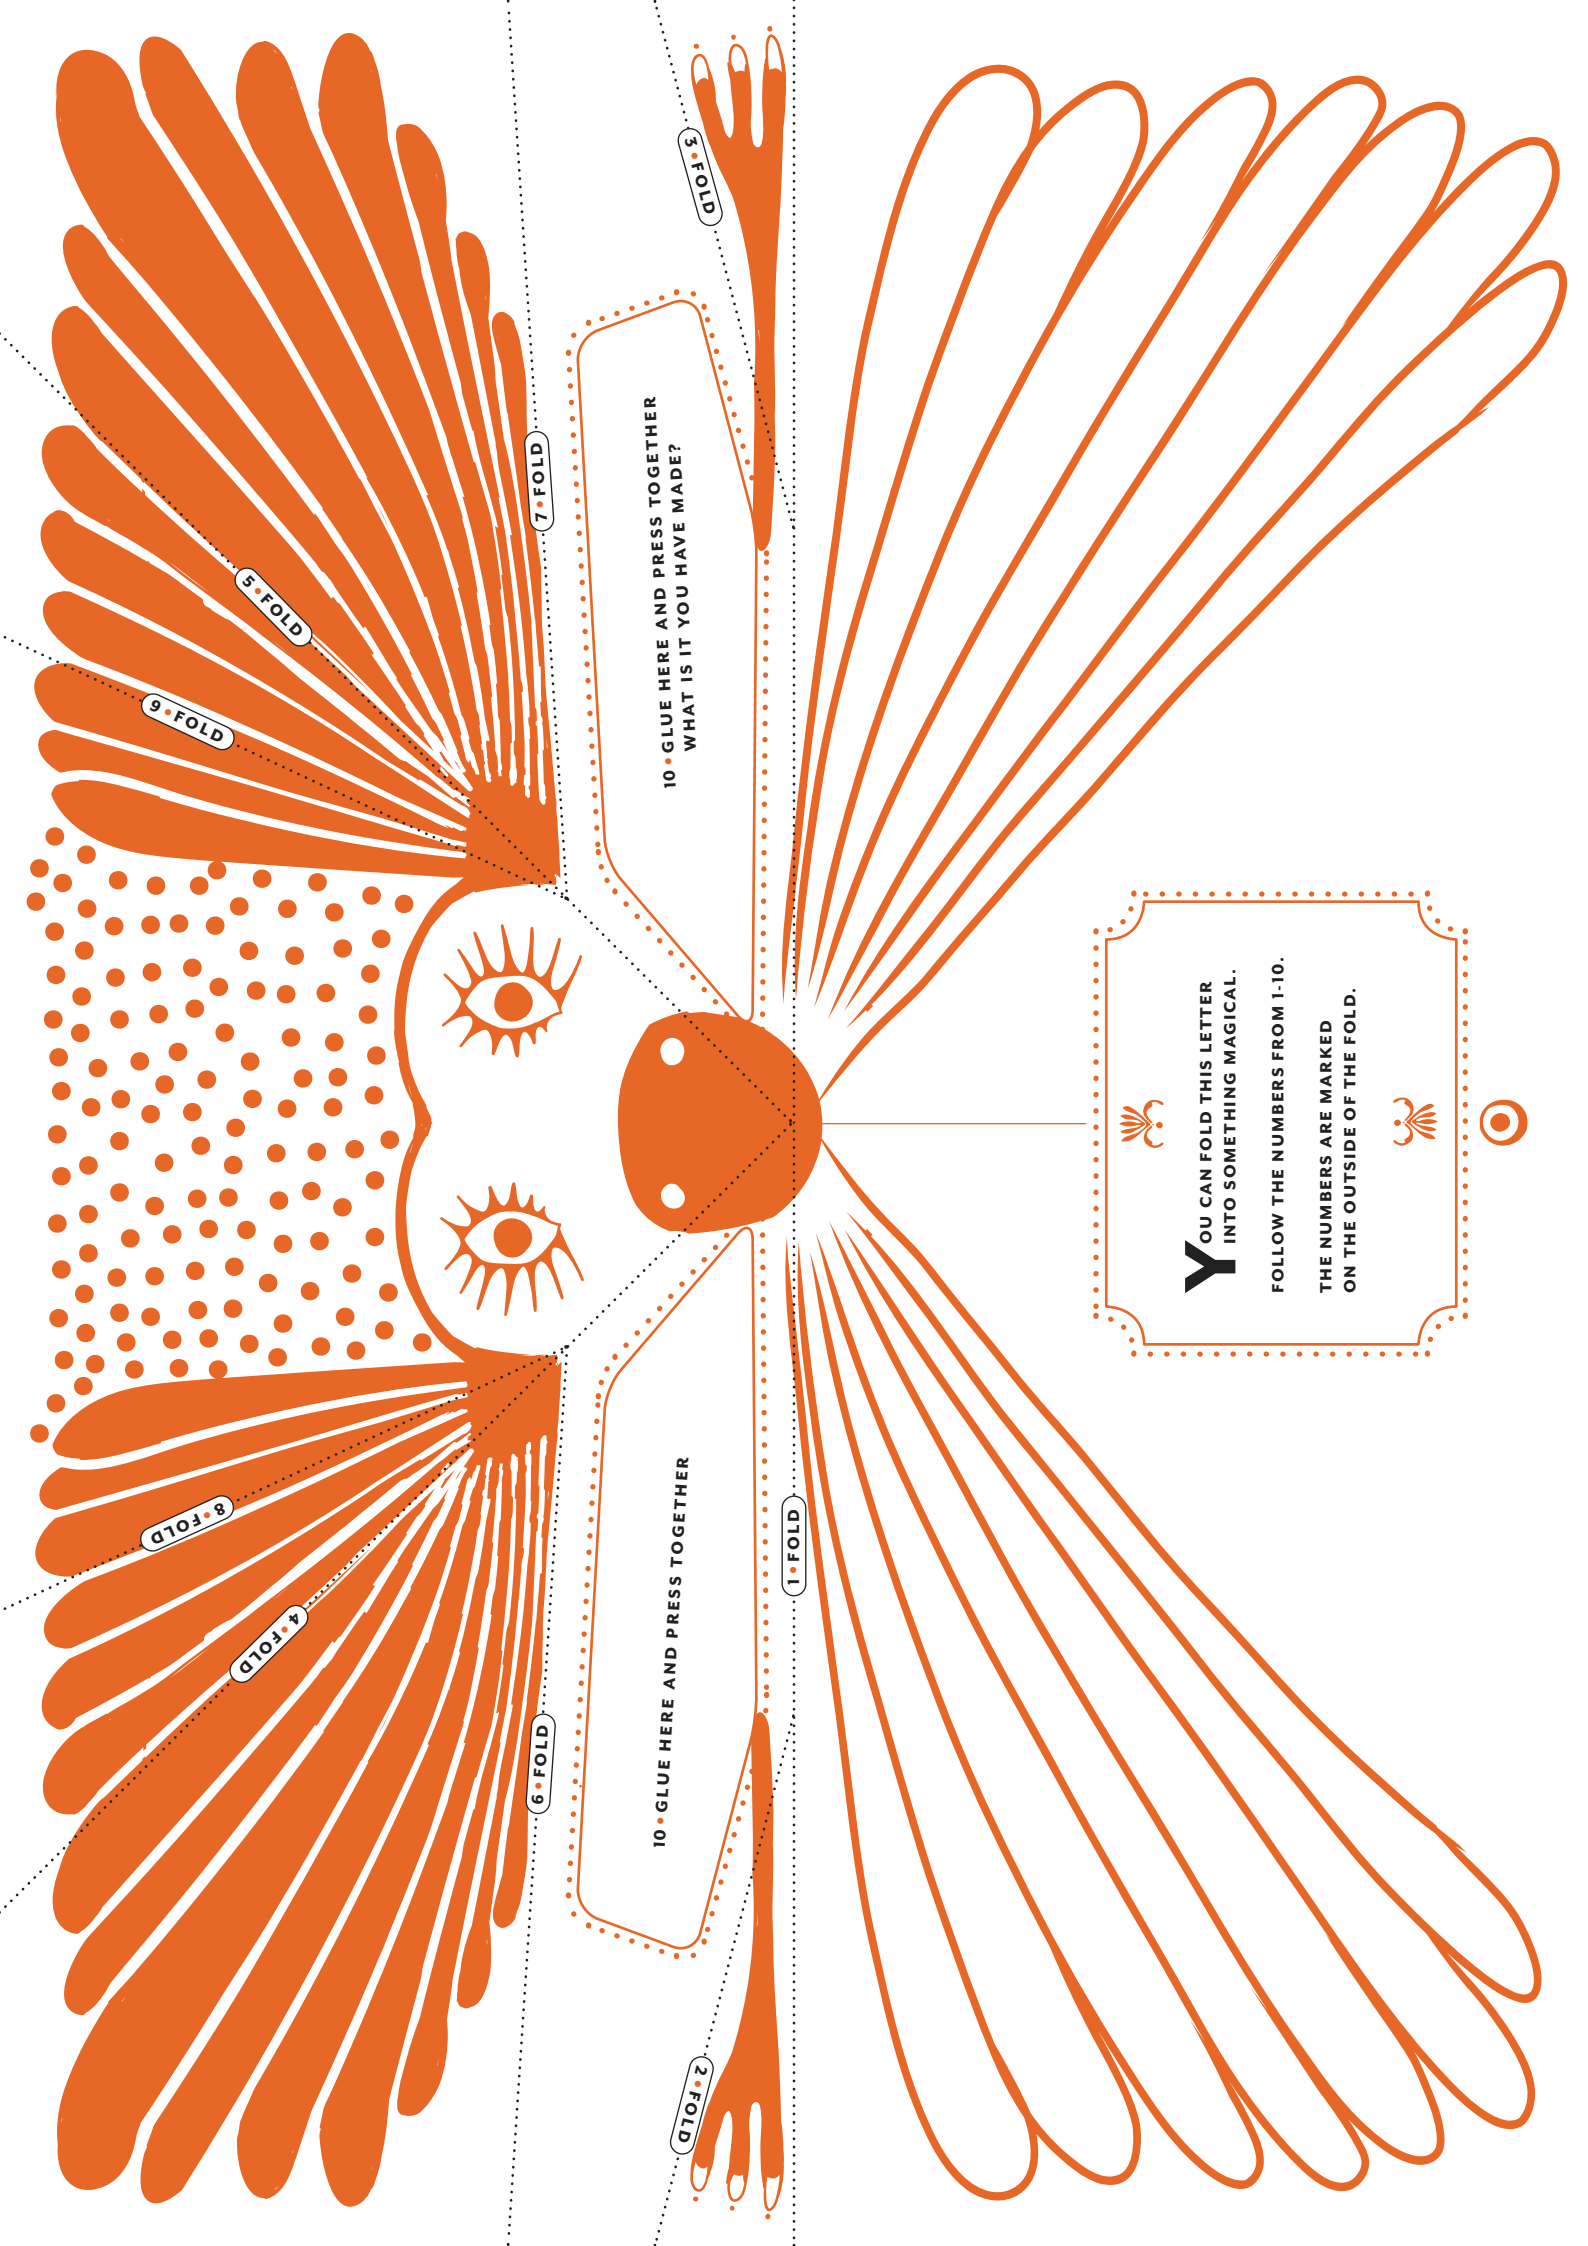

I'll see you and will be waving back
(even if you can't see me).

Big magical hugs from your friend
